

1個空間 x 4種風格 2020 空間色彩趨勢應用

Dulux得利塗料每年發表 Colour Futures 趨勢色彩，邀請世界設計、建築和時尚色彩專家，通過探索影響人們生活方式的全球文化和社會經濟趨勢，找到消費者回應的顏色，並帶入人們的家中。

空間趨勢色彩分為年度色、與四種主題色組，消費者可以從中選擇來反映自己的身份，想要的感受和生活方式。

2020年度色：
曙光青 (色號 45GY 55/052)

4種風格主題色組：
關懷、趣玩、靜思、創想

讓我們用這4種色組，創造家的新貌!

CARE

SPACES TO RECONNECT

The warm, soft neutrals and pale pastels of this palette can be used to create spaces for positive interactions. These shades help to create mood-lifting places where people can spend quality time on their own, with other people or engaging with the natural world - places that help boost physical and mental wellbeing.

CONSIDER FOR:
Offices, Healthcare

PLAY

SPACES TO STIMULATE THE SENSES

This vibrant palette helps to create spaces where people can let their imaginations run wild and take pleasure in real-time experiences. The unexpected combination of brights and chunky pastels provides a joyful antidote to the constraints of modern life and can bring transformative energy to educational buildings and workplaces.

CONSIDER FOR:
Education, Offices

MEANING

SPACES FOR CONTEMPLATION

The elemental shades of this palette can be used in places where people go to be free from distractions, pause and be in the moment. The collection of soft greys can be used to create awe-inspiring places that meet people's desire for more meaning in their daily lives, aiding contemplation and opening them up to new levels of experience.

CONSIDER FOR:
Residential, Hospitality

CREATIVITY

SPACES FOR SELF-EXPRESSION

These rich, intense shades can be used in spaces designed to encourage people to be curious and creative. The combination of forest greens and earthy shades in this palette provide an environment that blends the best of old and new, where people can explore different ways of doing things and find new ways of expressing themselves.

CONSIDER FOR:
Residential, Hospitality
